

# Work Experience Opportunities

Discuss work experience opportunities with your family and friends - they might have connections that could help you secure a placement. Compile a list of businesses in your area related to the industries below. Use Google to find their addresses and phone numbers, then start making calls using the provided script.

Education 	Administrative 
Health Care 	Retail 
Animal Care 	Sport and Fitness 
Construction 	Hair and Beauty 
Hospitality 	Automotive 
Technology 	Art 
Environmental Science 	Media and Communications 
Volunteering 	Garden and Environment 
Other possibilities:	

These opportunities can help you gain practical experience, develop new skills and build a professional network in your field of interest.
