

Investing for Success

**Under this agreement for 2022
Brisbane South State Secondary College will receive**

\$124,157*

This funding will be used to

- Ensure 'Every Student Succeeding'.
- Ensure strategies to support the percentage of students achieving a "C" standard or above in English, Maths & Science is 100%.
- Ensure the percentage of students at or above the NAPLAN National Minimum Standard for years 7 is 100% in all three areas.
- Maintain and increase the percentage of students in the upper two bands (U2B) Year 7 in all three NAPLAN areas – Reading, Writing & Numeracy.
- 100% students not meeting NMS will be provided with a Personal Support and Learning Plan.
- Ensure percentage of students reaching 99% attendance and accessing enrichment activities.

Our initiatives include

- Implement collaborative data inquiry processes (to build teachers' ability to interpret data, identify and scale-up effective teaching practices and differentiate effectively).
- Implement key improvement strategies and 'Deep Learning Reasoning' in numeracy with the 'The Learner First Numeracy' project coach.
- Implement a whole school approach for the identification and extension of high performing students across all learning areas including targeted approaches to support students achieving A & B's and the U2B.
- Implement effective processes for monitoring and mentoring all students.
- Implementation of pedagogical and instructional frameworks including embedding the culture, climate, processes and protocols of classroom observation and feedback to support professional development and encourage reflective practice/action learning.
- Implementation of Deep Learning within Pedagogical framework including teacher professional learning experiences both locally and globally.
- Implementation of engagement and enrichment key strategies through PBL and well-being strategies.
- Participate in national and global research projects with key partners to measure student achievement of 21st century competencies and 6Cs.

Our school will improve student outcomes by

<ul style="list-style-type: none"> Strategic engagement of staff and students in the school's Explicit Achievement Agenda (Literacy, Numeracy, Enrichment and Attendance within whole school pedagogical framework including Deep Learning) through use of key personnel. 	\$84 157
<ul style="list-style-type: none"> Build student capability through whole school approach to literacy & numeracy, including strategies and resources to improve number of students in U2B (Reading & Writing , STEM & Enrichment, Learner-preneur, MicroCourses, Qld Academies partnership programs, University partnerships). 	\$20 000
<ul style="list-style-type: none"> Teacher and student participation in 'The Learner First' & Deep Learning research projects 	\$20 000
